Petitions to Intervene to Become a Formal Party

The Energy Commission's Decision on the Oakley Generating Station Project will be based on the official evidentiary record developed at the Evidentiary Hearing. Only formal parties (Staff, Applicant, and Intervenors) may present evidence and cross-examine witnesses at the Evidentiary Hearing.

Anyone with an appropriate interest in this project may file a Petition to Intervene and become a formal party. At the Evidentiary Hearing, a formal party may offer testimony and documentary evidence, receive documents filed by other parties, and cross-examine witnesses. However, a formal party must also comply with Committee orders, procedures, and filing requirements, and is subject to discovery and having its own witnesses cross-examined by other parties.

The deadline to file a Petition to Intervene in this case is **Monday, February 14, 2011.** Petitions filed after that date and time extensions for new Intervenor to review case materials will be granted only upon a showing of good cause. Intervenor will take the case as they find it at the time intervention is granted. For example, if the deadline for filing opening testimony has passed, the newly approved Intervenor will not be allowed to file opening testimony. Persons interested in intervening are therefore encouraged to file their petitions as soon as possible.

How to Intervene

The Energy Commission's Public Adviser's Office will assist any person or organization interested in preparing a Petition to Intervene. For assistance in this process, contact the Public Adviser's Office at (916) 654-4489 or (800) 822-6228 or e-mail: **[publicadviser@energy.state.ca.us]**.

Public Participation

Members of the public are welcome to attend and offer comments at the Prehearing Conference and the Evidentiary Hearing. It is not necessary to be an Intervenor to participate in the public process. Anyone desiring information on how to participate may contact the Public Adviser's Office as indicated above.

Comments made after the Evidentiary Hearing may be discussed in the Presiding Member's Proposed Decision (PMPD) or treated and discussed as comments on the PMPD, at the Committee's discretion.
